WEEKEND

FOR

WILDLIFE

Conserving and connecting wildlife
habitats throughout Georgia

Weekend for Wildlife is a one-of-a-kind escape to one of the world's most prestigious resorts on Georgia's Sea Island. As a guest of this magnificent two-day event, you will have the opportunity to participate in unique excursions led by field experts, attend a private concert celebrating the weekend, as well as an exciting banquet and auction featuring original artwork and exclusive treasures. As you bask in the luxurious comforts of Sea Island's amenities, you will – most importantly – serve as luminaries to the stewardship of Georgia's natural resources.

WEEKEND FOR WILDLIFE

The Georgia Natural Resources Foundation cordially invites you to join us for the 31st annual Weekend for Wildlife, Feb. 15-16 at the Cloister Resort, Sea Island.

Experience the Georgia coast and her bountiful natural resources on trips led by field experts. Enjoy a Friday night cocktail hour, private concert, and our silent auction rich in getaways, artwork, and unique finds.

Weekend for Wildlife is one of the nation's most successful conservation events, raising more than \$13 million since 2001 to conserve Georgia's prized natural resources. Through the Georgia Natural Resources Foundation, Weekend for Wildlife supports the mission of DNR, to sustain, enhance, protect and conserve Georgia's natural, historic and cultural resources for present and future generations.

The 2019 Weekend will continue to provide valuable support for the DNR Wildlife Resources Division's Nongame Conservation Section, which depends largely on fundraisers, grants and direct contributions for its vital mission: conserving nongame species. These animals and plants include hundreds of special-concern species; they, and the habitats they depend on, enrich our lives, our economy and our future.
